

DESIGN TO SHINE UNIT 4 SUPPLY LIST

See my handy one-stop Amazon shopping list at makeracademy.com/unit4list

- 4-6+ sheets of 12" x 12" 65-80 lb. cardstock in contrasting colors – I recommend one of those colors be white or very light to provide good contrast
- Double-sided adhesive foam circles, foam mounting tape, or 3D Zots
- Scissors (if you get foam mounting tape that needs to be cut)
- Cricut cutting machine (Joy, Explore, or Maker)
- Green StandardGrip machine mat (12" x 12" for Explore/Maker, 4.5" x 12" for Cricut Joy) – you will still need a mat for the Explore 3 and Maker 3
- Fine point blade
- Scraper, Weeding Tool, Spatula, and (if you have a shadow box to measure) a ruler
- (Optional) Shadow Box Frame (as big as 11" x 11" for Explore and Maker users, and. as small as 5" x 5" for Joy users) -- you do not have to have this
- (Optional) Tape or glue if making the paper shadow box frame from my templates
- (Optional) Photo, image, or separate design to put in your finished frame. Size will depend entirely on frame size, as explained in the lessons.
