WHAT YOU NEED TO KNOW

STARTING DATE: Thursday, November 7, 2024

The live broadcast kicks off at 6:00 pm ET – this is a live party with your host, Jennifer Maker, where she reveals all of the free designs and patterns, gives away prizes, and answers your questions.

HOW TO WATCH: New workshops released daily!

Maker Academy Weekend 2024 is virtual, and everything is online! One of the best parts about Maker Academy Weekend is that you can watch and participate from the comfort of your home. All you need is an Internet connection and a device to watch it on, such as a computer, tablet, or phone.

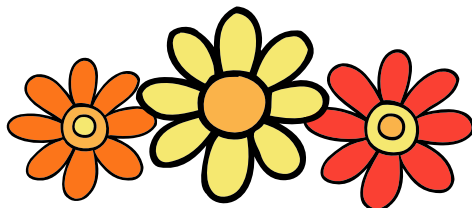

We will send you an email from hello@jennifermaker.com at 8:00 am ET each morning of Maker Academy Weekend with special links to the workshops. All you have to do is check your email, click on a link, turn up your speakers, and enjoy! You can also watch the workshops from the [Schedule Page](#), just remember that the workshop livestreams don't begin until November 8th, so nothing will be available until then. (Be sure to join us November 7th for the kickoff!)

WHEN TO WATCH: Workshops are available free for 24 hours!

Each workshop and live presentation is totally free to watch for 24 hours starting the day and time it is set to air (November 8th - 10th). It doesn't matter what time zone you live in, you'll have the opportunity to hop on and watch for 24 hours. If that workshop you were really interested in is scheduled to air at 2:00pm ET, but you don't get off work until 6:00pm ET, no worries – you'll still be able to get online and catch it after work! Just click the link in your email and watch the replay for 24 hours after it airs.

VIP PASS: Enjoy instant and lifetime access!

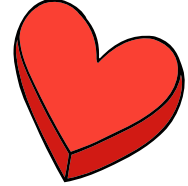

Don't want to wait until the workshops air? Worried you won't have time to watch all the workshops you want? You can get **instant lifetime access** to Maker Academy Weekend 2024 by purchasing a **VIP Pass**. With a VIP Pass, you can watch **right now** and your access will **never, ever expire**! Plus VIP passholders get **extra bonus materials**, like printable workbooks, downloadable videos to watch anytime, easy one-click access to design files, audio files to listen to on the go, and **so much more**! ANSWERS TO FREQUENTLY ASKED QUESTIONS

Where do I see all of the supply and tool lists for the projects?

All supply lists and shopping lists are on our [Supply List page](https://makeracademy.com/weekend-supply-lists/) (<https://makeracademy.com/weekend-supply-lists/>).

How do I know exactly what supplies and tools are the ones listed in the Supply Lists?

Every Supply List has hyperlinks and a URL that will take you to an online shopping list that shows you exactly what items you need!

How many workshops are there for Maker Academy Weekend 2024?

There are 18 project workshops this year, along with a Morning Motivation, Lunch & Learn, and Evening Encouragement broadcast each day of the event.

Where do I go to attend the workshops?

We will send you an email from hello@jennifermaker.com at the start of each day (around 8:00 am ET), so be SURE you are getting our emails now. This email will have special links to our livestreams, one for the morning workshops and one for the evening workshops. All you have to do is check your email, click on a link, turn up your speakers, and enjoy! If you purchase the [VIP Pass](https://makeracademy.com/vip/) (<https://makeracademy.com/vip/>), you will have IMMEDIATE access to all workshop assembly videos and workbooks in the event—when you purchase, we will send you an email with details on how to access all the content right away!

Do I need to be on Facebook to watch Maker Academy Weekend?

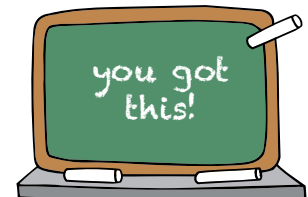

No. We have [several viewing methods](https://makeracademy.com/weekend-live/) (<https://makeracademy.com/weekend-live/>) available for ticket holders. Easy links will be provided once you're signed up to help you find all workshops and live events.

Do you have captions for your videos?

Yes, but they may not be live captions -- live captioning is completely dependent on the platform, not us. If you need closed captioning and it is missing, please watch the video in Google Chrome and enable "Live Caption" in Settings > Accessibility ([click here to learn more about Live Caption](#)). Alternately, know that captions will appear within about one hour after the video finishes, so you may prefer to watch the replays that will get automatic captioning. Also, please note that all videos in our [VIP Pass](#) have professionally-made and edited captions.

How many people are attending this event?

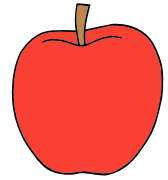

Last year we had more than 100,000 attendees signed up, and we expect a similar number this year!

2024 WEEKEND GUIDE

What are you giving away during Maker Academy Weekend 2024?

We are giving away more than \$10,000 in prizes! Please go to <https://makeracademy.com/maker-academy-weekend-giveaways/> to see all of the awesome things we're giving away.

Where do I enter for the giveaways?

Please go to <https://makeracademy.com/maker-academy-weekend-giveaways/> to read the rules and enter.

Who can enter your giveaways?

Anyone with a free ticket and/or a VIP Pass (email addresses must match) and who is otherwise eligible. Please visit <https://makeracademy.com/maker-academy-weekend-giveaways/> to read the rules and see eligibility.

Where will you announce winners?

Winners will be announced in our livestream from November 7-10 and winners will also be emailed directly. You will NOT be contacted via private message or direct message. Winners will have 48 hours to claim their prizes. Once winners have claimed their prize and signed our permission forms, their names will be listed on our giveaway page.

I entered the giveaway, but didn't provide my last name. How will you know who I am?

Not to worry! If your name is drawn and you didn't provide a last name, we will cross-reference your name with our other records (emails, orders, enrollments, signups, and anything else we have) so we can identify you. We will NOT share your email address publicly to protect your privacy, however.

Is this event just for Cricut crafters?

No, our design files can be used by anyone with a pair of scissors, a craft knife, or even other cutting machines such as a Silhouette or Brother. Some of our workshops are also for sublimation crafters, so if you have a sublimation printer or want to use Infusible Ink sheets, this is for you!

Is this event just for people who have a Maker machine?

Not at all! We're using the term "maker" to mean ANY person who wants to make amazing things. This is an event for makers! And some of that "making" does include the use of technology like cutting machines and sewing machines, but there are printable patterns for EVERY design.

I have a cutting machine. Can I use it to make things in these workshops?

Most of our workshops offer directions on making a project with a Cricut cutting machine. The great thing is that most projects have the design file in SVG format, which you can use on nearly ANY modern cutting machine, including the Cricut Joy series, Cricut Explore series, Cricut Maker series, Cricut Venture, Silhouette Cameo, Brother Scan 'N' Cut, and more. Please note that if you are a Silhouette user, the Silhouette Studio Basic Edition (the free edition) does not allow you to upload SVG files until you upgrade to the Designer Edition.

2024 WEEKEND GUIDE

How do I know what the workshops are about and what they cover?

Check out our [Event Schedule](#) for a daily at-a-glance overview of each class and the day and time it begins.

How long is each workshop?

Most workshops are just under one hour long, but the last workshop of the day may run a little longer.

What if I can't make it on the day and time a workshop I want to see airs live?

No problem — you have 24 hours to watch every workshop replay. If you need more time, or want to watch outside of this 24-hour window, you can purchase the [VIP Pass](#) with all of the replays (and more!).

I am having issues finding my free ticket email or I have more questions — can you help?

Yes, we're always happy to help! Please email us at hello@jennifermaker.com for questions about the free ticket, or email vip@jennifermaker.com for questions about the VIP Pass and we'll do everything we can to assist you.

What's included in the VIP Pass?

The [2024 VIP Pass](#) is full of goodies you're going to LOVE! You can watch the workshops at your leisure, reference our detailed workbooks, and read a full transcript of the class, too. Additionally, you get audio files to listen on the go, easy one-click access to all design files, and a 50% discount coupon good for any JenniferMaker course, workshop, or ebook good until Christmas 2024.

How much does the VIP Pass cost?

Everything in the pass individually would cost more than \$2000, but we have priced the VIP Pass at just \$89 to make it affordable. And if you purchase early the price is even LOWER! Right now it is just \$59, but this price will go up to \$79 very soon. You'll have an opportunity to buy the VIP Pass right after you sign up for a free ticket, or just [click here to get it now \(https://makeracademy.com/vip\)](https://makeracademy.com/vip).

Wait, wasn't this free? Why would I need to purchase the VIP Pass?

Yes! Every workshop and live event in Maker Academy Weekend will be FREE for viewers to access for 24 hours from its scheduled air time beginning November 7, 2024. The 2024 VIP Pass gives you lifetime access to all of the Maker Academy Weekend 2024 workshops and live event replays. With the [VIP Pass](#), you can start right now with immediate access to our design files and printable workbooks, and then all of the Maker Academy Weekend workshop replays as they come online — watch anytime, anywhere, as many times as you'd like! And don't forget that VIP All Access Passholders get easy access to audio files, transcripts, and a 50% discount for any JenniferMaker course, workshop, or event (good until Christmas 2024).

2024 WEEKEND GUIDE

I am a member of the ADVANCE with JenniferMaker program. Is Maker Academy Weekend included in my membership?

Maker Academy Weekend is included in your membership if you are an **annual** member of my [ADVANCE](#) program. If so, you'll automatically get the VIP Pass. This is for the 2024 Maker Academy Weekend, not past or future Maker Academy Weekend events.

Is Maker Academy Weekend the same thing as the ADVANCE with JenniferMaker program?

No, Maker Academy Weekend is an event that runs from Wednesday, November 7th through Sunday, November 10th. The [ADVANCE with JenniferMaker program](#) is a membership program where you get workshops and an amazing searchable library as well as member challenges. You also get early access to projects, exclusive content, discounts, and so much more! For the 2024 Maker Academy Weekend event, **annual** ADVANCE members get a VIP ticket for free, but this may not be the case for future events.

I signed up for your virtual event last year – is this the same thing?

No, this is an all-new event with totally new workshops, designs, giveaways, and fun. Last year's ticket/pass will not get you into Maker Academy Weekend 2024, so you'll need to sign up for a new free ticket or buy a new VIP Pass.

Is this a one-time payment or recurring fee?

This year we have several different options. If you get the VIP All-Access Pass, it's a simple one-time payment. Or you can opt for the VIP ADVANCE pass instead, which gives you access to my popular ADVANCE program for a low annual fee and you'll get the 2024 VIP Pass as a special bonus!

I'm interested in the VIP Pass, but I'm afraid I won't use it.

Should I buy it?

I get it – you want to make amazing things, but you're not sure if you're purchasing a real thing or a gimmick. These workshops are jam packed with solid, professional level designs and techniques that you can start using today. If you watch just one workshop and start making just one project, you will have accomplished something few others do. You have to do the work and there's no magic "easy" button, but if you're willing to try and not give up, these classes can give you the inspiration and motivation you need to get started!

And while we're confident that the 2024 VIP Pass is well worth the investment, if you dive into the classes and aren't completely satisfied, you're covered with my 30-day Happiness Guarantee! Just reach out to our support team and request a full refund within 30 days of your purchase.

I see lots of great workshops, but some don't apply to me. Do I have to get everything?

Maker Academy Weekend 2024 reaches makers in all walks of life, so if you start a workshop and it's just not working for you, move on to the next one! We sell the VIP All Access Pass as a complete package, and you never know which project will be the one that inspires and motivates you.

2024 WEEKEND GUIDE

If you're worried about getting your money's worth, don't be. Just three or four of these workshops alone are well worth the cost of the 2024 VIP Pass, and don't forget about the bonuses! In fact, some of the bonuses are worth more than the cost of the pass itself!

Okay, this sounds way too good to be true. Is this for real?

Maker Academy Weekend 2024 is such a good deal that it almost sounds too good to be true, but you'll be joining thousands of 2024 VIP Passholders who also got an amazing deal -no strings attached! Within just a few minutes of your purchase you'll get an email with instructions for accessing the content. If you run into any technical difficulties, I've got an amazing Maker Experience team who are more than ready to jump in and help you out!

Do I have to buy it again next year if you host this event again?

If we do it again next year, which I don't yet know if we will, it would be entirely new workshops and you would need to buy another pass if you wanted one. We may or may not do more of these, and they may or may not be at the same time of the year. So the 2024 VIP All Access Pass for Maker Academy Weekend is just for 2024.

What if I don't have time for the VIP Pass right now?

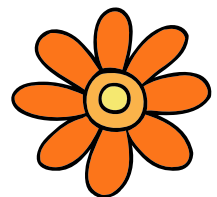

I know life is crazy and busy! If you don't have time to watch the classes in the 2024 VIP Pass today, no worries. You'll get lifetime access to every single workshop and live event replay - they'll be ready and waiting for you when you're ready to get started!

I purchased a VIP Pass, but I don't know how to log in. What do I do?

Check your email for a message from "hello@jennifermaker.com" called "VIP Pass for Maker Academy Weekend - Access Details" which will give you all the details you need. In a nutshell, to access your VIP pass contents, you must first login at <https://advance.jennifermaker.com>. Once you're logged in, you can access the [Maker Academy Weekend 2024 VIP Dashboard](#).

What if I have another question?

Please send an email to hello@jennifermaker.com and we'll do our best to assist!
